

This lamp of traditional design emits a soft diffused light. Our LED lamp has a unique CANYON ICE COB module, which helps to avoid excessive heating. Designed for installation in luminaries with E27 base. Available with frosted cover. Extremely low power consumption of the lamp can save up to 90% energy compared to traditional incandescent bulbs.

CANYON LED

We light the world

Advanced technology and high quality production

CANYON ICE COB module for all Canyon LED lamps. In comparison to SMD technology widely used in usual LED lamps, Canyon LED heats less providing stable light output and longer lifetime.

Modern power adapters

Compared to drivers, which are used in many LED lamps, our power adapters have perfect design, heat less and provide efficient power delivery to the lamp.

Quality without compromise

Canyon products fully comply with all requirements of the EC directives and harmonized standards of the European Union, which has been proved by CE certificate. Our factories are certified by TUV Rheinland, Germany according to the highest European standards SA 8000, ISO14001, ISO 9001 and ISO 17025.

Honest features without valueless advertising promises

All declared specifications strictly correspond to the actual characteristics of the product. We are so confident in our product that we give warranty with easy-to-change procedure.

Environment-friendly product

High European environmental standards are proved by RoHS certificate. Lamps do not contain harmful heavy metals.

A60 6 Watt = 40 W 300° 470 lm A+

Article	AE27FR6W230VV
EAN	8717371862039
Cap (base)	E27
Voltage	220 - 240
Correlated Color Temperature, K	2700
Color Rendering Index, Ra	> 80
Lifetime	50 000
Dimming	No, on demand
Overall length, mm	110,0
Diameter, mm	60
Gross weight, g	80,50

A60 8 Watt = 47 W 300° 600 lm A+

Article	AE27FR8W230VV
EAN	8717371862046
Cap (base)	E27
Voltage	220 - 240
Correlated Color Temperature, K	2700
Color Rendering Index, Ra	> 80
Lifetime	50 000
Dimming	No, on demand
Overall length, mm	110,0
Diameter, mm	60
Gross weight, g	84,50

A60 9 Watt = 60 W 300° 806 lm A+

Article	AE27FR9W230VV
EAN	5291485000783
Cap (base)	E27
Voltage	220 - 240
Correlated Color Temperature, K	2700
Color Rendering Index, Ra	> 80
Lifetime	50 000
Dimming	No, on demand
Overall length, mm	110
Diameter, mm	60
Gross weight, g	84,5

A65 12 Watt = 75 W 300° 1055 lm A+

Article	AE27FR12W230VV
EAN	5291485000813
Cap (base)	E27
Voltage	220 - 240
Correlated Color Temperature, K	2700
Color Rendering Index, Ra	> 80
Lifetime	50 000
Dimming	No, on demand
Overall length, mm	123,0
Diameter, mm	60
Gross weight, g	122,50

A70 15 Watt = 100 W 200° 1512 lm A+

Article	AE27FR15W230VV
EAN	8717371865665
Cap (base)	E27
Voltage	220 - 240
Correlated Color Temperature, K	2700
Color Rendering Index, Ra	> 80
Lifetime	50 000
Dimming	No, on demand
Overall length, mm	131,0
Diameter, mm	70
Gross weight, g	130,00
